YOUNG KIDS IN THE BURNING BUILDING

Zoom arrives on the 5th floor but there is a gapping hole in the floor between Zoom and the Kids. He looks down and can see the 1st floor! He looks at the kids, back down the hole and back to the kids! They are crying.

YOUNGER KID

Momma!

Zoom takes a few steps back and gets two running steps before he jumps the hole. As he jumps the floor beneath him breaks away . . . He is with the kids, but now they are all trapped!

OLDER KID

Super...uh,
Spid...Captain...uh....Who are
you?

ZOOM

My name is...Luke Skywalker and
I'm here to rescue you.

OLDER KID

Who?

A loud whistling noise goes off. The heads up display directs Zoom to the problem. The gas pipe leading to the stove has been severed by a fallen beam.

Heads up display Reads, WARNING FUEL LEAK DETECTED.
Probability of explosion 85%.

As the Whistling continues the probability climbs to 88%, 90%, 91%, 94%, 99%! Myles grabs the kids and shields them from the explosion.

MYLES

This is going to hurt.

The impact blows Zoom and the two kids right out the glass window! The mother on the ground faints as everyone looks on in horror. Zoom is shielding the kids, but he is covered with burning ash and cinder. They are hurtling toward the ground! All three close their eyes and brace for the impact!

INT. INSIDE THE HELMET

The heads up display reads, COMMAND: FLIGHT MODE - ACTIVATED.

EXT:THE APARTMENT BUILDING - DUSK

The crowd's faces change from horror to awe. The boys slowly open their eyes and see they are suspended in midair. The suit can fly!

OLDER KID

(opens his eyes - he is
amazed)

You can fly?

YOUNGER KID

He can fly?

ZOOM

I can fly!

The crowd cheers as ZOOM flies "Loop-di-loops" over them holding the kids. They are loving it! It's like they are on an "E" ticket ride at Disney. Zoom flies low and BUZZES past Brittany to show off. She hears the noise the suit makes, the ZOOM, and shouts to him.

BRITTANY

See! ZOOM! I told you!
That suit makes a ZOOM!

A newspaper reporter hears her yell to him and grabs his note pad and writes the word, ZOOM on the pad. And with those four written letters, the world has given our hero his name.

He lands and places the kids down safely. The younger one screams for more. ZOOM is attacked by reporters. Brittany tries to reach him but is kept away by the bustling reporters clamoring for tomorrows headlines. A kid in the crowd that saw the whole thing reaches into his back pocket and pulls out a Batman comic. He looks at the comic, then looks at ZOOM. He throws the comic in the trash and tries to get to ZOOM.

YOUNGER KID

Again! Again!

ZOOM

No, no...only one ride to a customer.
