MR. WILSON

EXT: MYLES HOUSE - DAY

Myles, Mom and Bane (as police officer Jones) walk up to the house. The neighbor, MR... WILSON, is waxing a beautifully restored classic car. Mr. Wilson is a Jack Black/John Lovitz character type. Mr. Wilson tries to flirt with Myles Mom. He assumes Bane is a suitor and gives him a dirty look.

MR. WILSON

(Under his breath)

Sexy momma. Got Milk?

(out loud to Myles Mom )

Hi Linda! Ready for a ride on the wild side?

MOM

(paying no attention to him)

I'm not going on any rides, Mr. Wilson.

MR. WILSON

(under his breath)

Oh baby.

(out loud )

I'll get her ready for you.

(under his breath)

and you take it upstairs and get ready for me.

Mr. Wilson's daughter, in a cheerleader outfit comes out of the house spinning a baton. Mr. Wilson sees this, grabs the baton and over reacts.

MR. WILSON'S DAUGHTER
