INT: NORTH AMERICAN AIR DEFENSE (NORAD) COMMAND CENTER

The computers go wild. The lights start flashing and the people monitoring the screens jump to life. Zoom's flight path is picked up at the command center. A loud buzzing alarm goes off.

NORAD 1

Emergency we have incoming at 600 miles an hour over New York City!

NORAD COMMANDER

Where the hell did that come from?

NORAD 2

Appeared out of nowhere sir!

NORAD COMMANDER

Flight path!? Where's it headed? Striker! Call the President. Tell him the Nation is under attack!

NORAD 3

Should we send out an evacuation notice over the emergency broadcast system?

NORAD COMMANDER

You want to evacuate the City of New York in the next 3 minutes? Where's the flight path?

NORAD 1

Erratic path sir...somewhere over Staten Island.

NORAD COMMANDER

Staten Island? Is someone attacking the garbage dump?

NORAD 1
Impact in 5...4...3...2...huh?

NORAD COMMANDER
What happened?

NORAD 1
It's gone?!?

NORAD COMMANDER
Missiles don't just disappear
boy...where'd she go?

NORAD 1
I...I...I don't know?!?!?
